Little  
doodle of  
myself

Hello!

Accurate calendar

I'm planning on really cleaning this image up... I'll actually probably do an image trace of it and make it more like an illustration

These will be categorized (internship work, classwork, personal work, etc. if you click on the title it'll take you to a page with a catalog all of the work from that category)

# About Me

Rachel Bishop  
Ohio University Class of 2020  
Interactive Design, CS minor  
Athens, OH - Munster, IN

This is where a cute little paragraph about my life and my favorite things will go. Also a link to my resume... maybe I'll make little graphics of the things I like to float around over here (ex: my cat, a cheese plate, hiking boots)
